

Imation **Swivel Flash Drive**

Professional Solution

The original and still the most popular, the **Imation USB Swivel Flash Drive** is available in all capacities up to 8GB.

This lightweight, yet powerful flash device with sophisticated, professional design can quickly and easily transfer, share and store almost any digital information – all at lightning speed.

It's safe too: files can be protected from unauthorised use or accidental erasure through optional password protection, locking functionality and partitioning software.

Features & Benefits

- Industry-leading form factor
- Lightning fast USB 2.0 drive speed
- Innovative, "Never lose the cap" swivel design
- Available in 1GB, 2GB, 4GB and 8GB capacities
- Free drive-management software for password protection
- Ten year data retention
